About Gamma Pi Sigma Alumnae Chapter & Sigma Legacy Fund

Gamma Pi Sigma Alumnae Chapter of Sigma Gamma Rho Sorority, Inc. has proudly served the city of Milwaukee and surrounding areas since March 15, 1963 providing programming and service that makes a positive impact in the communities that we live, work, worship and do business. Sigma Gamma Rho Sorority, Inc. is a sisterhood of women who set out to enhance the quality of life for women and their families in the U.S. and globally through community service, civil and social action.

Our goal is to achieve greater progress in the areas of education, health awareness and leadership development. It is our vision that all women and their families will reach their full potential in all aspects of life and that we will create unlimited opportunities for future generations.

In 2000, Gamma Pi Sigma chartered the Sigma Legacy Fund, a 501(c)3 organization with a mission to enhance the quality of life of youth and families through education, public service, and leadership development in the Milwaukee Area. The Sigma Legacy Funds allows the chapter to receive and distribute tax-deductible funds to advance our commitment to Southeast Wisconsin.
